Logo design for Entrepreneurship Club CEME

Entrepreneurship Club CEME is a community of passionate entrepreneurs, innovators, and aspiring business owners. Their goal is to provide a supportive and collaborative environment to foster growth and success.

Here, you can meet like-minded people, find resources, and build relationships to help you succeed in your entrepreneurial endeavors and take your business to the next level.

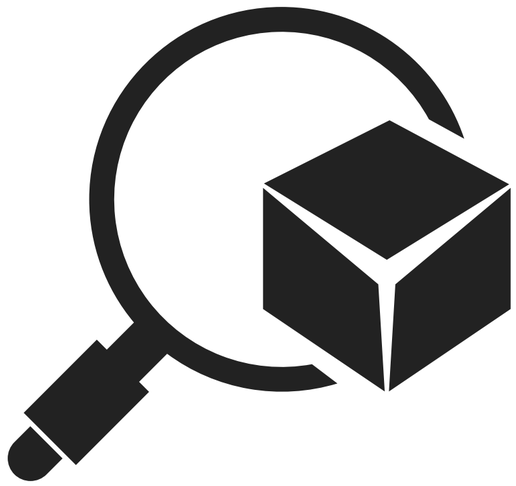

Our Role

As a brand designers, we played a critical role in helping the club create an effective brand identity. We worked closely with the club presidents to understand their vision and develop a logo that communicates the right message and will be successful in the current market while being timeless at the same time.

With our creativity and expertise, we put in our best efforts to provide a logo that was memorable and conversion oriented.
